Action plan

2 open

Time-sensitive and customer-impacting work comes first.

- 1** **High** SSL · due in 7 days
Renew the certificate before expiry
Confirm auto-renewal with the hosting provider and rerun the TLS check.
- 2** **Medium** Social preview · no due date
Add Open Graph images to two pages
Shared links will look clearer and stay consistent with the brand.

A fix is not declared without a successful retest.

✓ Two links leading to 404 were fixed HTTP 200 · confirmed 11 Aug
✓ Form delivery was restored message reached the control inbox
✓ Redirect chain was shortened direct path to the final URL

Client summary

The store is stable, the contact form submits and delivers messages, and technical quality improved from 72 to 92. SSL renewal should be confirmed this week; the remaining note does not block sales.
